

INGLEWOOD DIARY OF EVENTS FOR MARCH 2010

Hello Everyone

Welcome to your activities programme for March.

We are continuing our full programme of entertainers, games and exercises, with a few new ones.

Last month we had a successful trial of pottery painting which everyone enjoyed and we will be painting some more in the future.

We saw a few new entertainers, some of whom will be asked back later in the year.

Look out for these events this month:

- 1st Victorian lantern show
- 6th Guess who?
- 7th Sugar craft demonstration
- 8th Make a sugar flower
- 10th New singer - Stephanie Ralph
- 11th Arthur Parry magic show
- 15th Fair Deal clothing sale

And more!.....

Now that Spring has Sprung, we would like to hear your ideas for Summer planting. We have some new planters which will enable residents to sow seeds and plant easily. Perhaps we will have a herb and salad bed for you

to tend through the warmer months. If you are interested, please let us know and look out for the *Gardening Club* coffee morning.

Included is your usual brain-teasing quiz and also information about a new *Hand Massage* service.

See you soon in *Activities*

Best wishes

Libby, Jean & Margaret
